OCT 25, 26, 27, 28

Staff Coordinators

Prof. Mary John C : +919495810560

Mr. Krishnakumar R : +918593050707

Student Coordinator

Mr. Aswin Chandran : +919645360592

EXPLORE

INNOVATION AND ENTREPRENEURSHIP DEVELOPMENT CENTRE (IEDC-RCET)

App Evolve

If you got talent to develop an app based on customer needs, If you got the right spirit to become a competitor among students developers & show off you talent, IEDC RCET invites you to join in **App Evolve**. Win attractive cash prizes and a chance to get placed*.

Product Expo

IEDC invites you with your innovative and creative products. Participate and win attractive cash prizes.

Start Up Expo

IEDC invites you with your venture & submit product concepts/ product, explain proficiency and win prizes.

Microsoft Azure

Cloud Computing Workshop for Beginners, This workshop introduces key concepts for cloud computing and how **Microsoft Azure** aligns with those scenarios with a focus on **Azure web apps**.

Asst.Prof. Suhas : +919633671600

DEPT. OF ELECTRONICS & COMMUNICATION ENGINEERING

Idea Pitching

Pitch your innovative idea that can resolve any problem statements of our society...sell your **idea** with in 10 min...

Paper Presentation

Testing your innovative **ideas** and presentation **skills**.

Shoot em up (Paint ball)

The battle of **colours**...

WE (Women of Excellence)

Are you **ready** to face your fear? Girls....Come over and dare it. **Never** let your fear decide you!

Tech Blaze (Prototype Expo)

Are you a tech **savvy** professional student to contribute and develop unique concepts by developing **prototypes** around emerging frontiers in technology? Bring here and show case it. Validate it by winning attractive prizes...

Make ur own drone (DIY workshop)

Come and join us..Get your parts and technology... Skill up... Lift your **Drone**. Registration fee:300 per head

Aghil V Ajith : +917559913560

DEPT. OF APPLIED ELECTRONICS & INSTRUMENTATION ENGINEERING

Robo Expo

An event in which the participants can show case their working robot kits. The best robot kit wins the **ROBO EXPO**

Roadies

A challenging and interesting event for the smart and energetic students Here the participants will have to face **physically** testing rounds. The one who overcomes these rounds successfully will be the winner of the event

Paper Presentation

Workshop based on Automation

Ibnu : +918547456692

DEPT. OF COMPUTER SCIENCE & ENGINEERING

Extravaganza

Think you're the best at **fashion**? Without attitude fashion means nothing. If you got both, show it off at the Intercollegiate fashion contest and prove your skills to best them all to the top to claim the grand prize and Be the first **Royal Fashionista!!!**
